                         LR 88, 92

SENATOR BROMM:    Okay.    I, again, don't see a problem with the amendment, and I guess under the circumstances, I'll support it. Again, as Senator Chambers said, if we discover between now and Select File that we did something that we didn't intend to do, we certainly reserve the right to try to change it back, but I'll be voting for the amendment on from what I've heard so far.

SPEAKER WITHEM:    Senator Chambers, there are no further lights on. Do you care to close? Closing is waived. The question now before the body then is the adoption of the Chambers amendment. All of those in favor vote aye, opposed vote nay. Record, Mr. Clerk.

CLERK:    25 ayes, 0 nays, Mr. President, on the adoption of Senator Chambers' amendment.
